

Because You Matter Ministries Minutes

Volume 3 Quarterly Issue October, November, December

Memorial Edition

This is the first of long over due newsletters. As most of you realize, Roberta was the spark behind most of what Because You Matter Ministries did and all these giant things that went along with the ministry. It is not that easy to put a newsletter together. Finding the information to put into it, the clip art and being sure it makes sense when you read it.

When Roberta started getting run down, from her diseases and all the pain medication she was on. Some of the projects started to get put on the back burner for the last year or so. She picked her battles, that she knew she could win on the over all war that was being fought.

Roberta made me promise that the ministry would go on after her death, because she wanted everyone to know of her Jesus. She had a heart for people, especially the older, disabled and downtrodden. She could relate to most of these situations, and the people who were in these situations. Her insight to these situations, allowed her to have

compassion that is not seen in a lot of the rest of the world.

Even if Roberta could not go out and do physical work because of her diseases making her exhausted, she could do her part by being a prayer warrior from her bed. Roberta would pray for the ministry work she was missing and the people at the ministry locations.

She would pray for anyone and just about everything, wether people asked for prayer or not. If she thought the situation needed prayer, she would just go to the Lord in prayer.

The last major event that Roberta attended, was a missionary convention in Chicago back in the middle of August. She was always wanting to find more information to help her to try and be a better missionary and a better Christian. Even though it caused her a great deal of pain and a trip that takes her a longer time to travel then a healthy person, she was willing to do it for the Kingdom of God.

Roberta's special project of a CD of her music, was one project I personally wished we had gotten finished before her death. She had the name of the CD already picked out, "My Quiet Time with Jesus". She had produced the background music by herself on her keyboard and we did the recording in our house with the help of our sound system and a computer. Roberta was a very talented woman.

I wish that I could have had only one tenth of the compassion and servant hood that Roberta had in her life through her pain and struggles, for her God and her Jesus, I am humbled to have called her my Wife and best friend. Her Husband

The Board of Directors of Because You Matter Ministries would like to Thank all the people who have supported our ministries in one way or another this last year. By prayer, monetarily, physical or volunteering of time. Without your help we would not be able to carry out the Great Commission. With your further support we will be able to keep carrying on in the year to come.

The Golden Gospel Group has still seen the effects of what we do with the professions of faith for Jesus. We know it is the Holy Ghost that works on these people's heart and we are the fortunate ones who get to present the gospel to the people who show up for the worship services. Both song and word are used to bring the message of salvation through the acceptance of Jesus Christ into their hearts. The angels in heaven sing with every person that makes a decision.

We can always use more help in this area of ministry as we have more times we can present the gospel to the locations we have now and more locations who want us to come to them. First we need prayer that this is God's will and then we need prayer that the people we need, will find in their hearts that this is the area of ministry that God wants them to be in at this time of their life.

We are looking for people who are willing to volunteer in the areas of:

- 1. Web design and maintainer*
- 2. Artistic design for CD labels*
- 3. Media/Newsletters*
- 4. Secretary / Treasurer*

If you are interested in any of these positions, please pray about it and then contact us.

We hope this newsletter has given a little insight as to what you can expect to read in it. We will give you more information as to specific parts of the ministries and where we might need some help.

1 Corinthians (NIV) 12 So it is with you. Since you are eager to have spiritual gifts, try to excel in gifts that build up the church. 26 What then shall we say, brothers? When you come together, everyone has a hymn, or a word of instruction, a revelation, a tongue or an interpretation. All of these must be done for the strengthening of the church.
