Volume 6    Quarterly Issue    April, May, June, 2016

**Do not be conformed to this world, but be transformed by the renewal of your mind, that by testing, you may discern what is the will of God, what is good and acceptable and perfect.**

**Romans 12:2**

*Because You Matter Ministries depends on many volunteers, to be able to serve the many people that Because You Matter Ministries comes in contact with on a weekly basis. There are the volunteers who get noticed the most because of their positions in the organization that puts them in front of the groups of people we minister to. They lead songs in a worship service, or bringing a message, or sharing a devotional, or just some special thoughts the volunteer would like to share with the many people we minister to. We also have volunteers who may not stand up in front of the groups but are just as important for the jobs they do by just having a ministry of presence. This means sitting and talking*

*with those to whom we minister. Some of the people the volunteers sit with don't always communicate with the volunteers, but that does not mean they do not like being talked to or having someone taking time to just pay attention to them.*

*There are volunteers that help in the running and administration duties of Because You Matter Ministries. One of our new volunteers in administration is Jean S. Jean has volunteered to help out with the vast bookkeeping duties of the ministry. There is a lot to keep track of: like IRS filings to help keep our non-profit status with the Federal government ; The State of Wisconsin filings that keep our incorporation paperwork in order and bank account balances that help in knowing the financial health of the ministry. All of this means Jean has her work cut out for her.*

*There is also the volunteer Board of Directors who help in the guiding of the ministry in all the challenges that accompany it. The Board provides direction in the allocation of funds from the gracious donations to the ministry. The board helps by giving guidance when there are*

situations with logistics and communication problems that come up from time to time. These are a few of the ways volunteers help with Because You Matter Ministries Inc.
