Golden Gospel Group

Some people still wonder what it is the Golden Gospel Group does .

*There are many things we actually do when we go to a location. But most of all we try and let them know “**Because They Matter.**”*

We let the people know that God loves them and that they matter to Him. Using the Bible as the base reference, we try and bring relevant messages to them as to what God has done for His people. The fact that the only way to Heaven, is through a personal relationship and acceptance of His Son Jesus. The messages let the people know the truths as to what they need to do to get to heaven or just live a Christian life, everyday.

We sit with them and talk to them to see if we can find out if they might have a personal relationship with Jesus. We try and find out what their walk with the Lord might look like.

But most of all, we talk to the people to find out about them personally. Some share about how lonely they feel without having family locally or the families just don't visit them. For those who have a good relationship with their relatives, we get to know their families through them and the stories they relate to us about their families. They share how they feel physically and mentally. Granted they share more than we need to know sometimes, but they just need to share sometimes with somebody, what they are feeling or thinking. Taking the time in getting to know them as human beings, not just as part of doing the works of the ministry.

The down side of getting to know the people in a personal way and getting to know them so well, is when it is their time to leave from the living. Yes, sometimes you get so close to them, that it hurts when they pass from this world to the next.

So what is it the Golden Gospel Group does ? It is to educate the residents to accept Jesus as Lord and Savior. Disciple the believers in the Word of God. Last but not least is to, Next Page

be friends with them and listen to them.

So if they ask “Why do we spend time with them?”, it is then we can say it’s **“Because You Matter.”**

If you are interested in making new friends, singing, and being in the Word of God with others, **come join us!**

Friendship Cards

Do you have a knack for making cards by stamping or free hand design? We give out cards telling how Jesus can be or is their friend at the locations we visit. If you have an interest in making cards for many of our dear friends out there. Then we could use your assistance in making cards that show the love of Jesus and His children to the many of those who do not know of Jesus or have not felt any love in along while. Contact us for more information.
