Mark 16

15 He said to them, Go into all the world and preach the gospel to all creation.

We are enabled for service by God. Once God calls a person for a ministry he must enable him for service. When a brother surrenders to the call he is not instantly prepared for the ministry. In fact when the brother is called he essentially has no ministry. God must enable him as he enabled Paul, And I thank Christ Jesus our Lord, who hath enabled me, for that he counted me faithful, putting me into the ministry; [1 Timothy 1:12] Before Paul was actually placed into a full ministry he spent three years in training and instruction [Gal. 1:18]. Once God found him faithful in this, He put him into the ministry.

When we minister to others it does not matter if we minister to others one at a time or a number of people at a time. There are times when we go out to minister in this ministry, that we do not know if we will be ministering to a large number of people or only one person. The thing is Jesus

ministered to multiple people at times, but Jesus also ministered to one person at a time. When the Holy Spirit motivates us to get out and be a representative for Him, we should be joyful whether we have a multitude of people to minister to or if we have only one person.

There might also be times when we are scheduled to meet one or more and for some reason no one shows up, so we feel rejected or down hearted. This is not within our understanding, but His alone. It is then we need to pray for the situation we have and give it over to God and just realize this is His will and we are still serving Him without question.

Sometimes we ask ourselves if we should keep on going through with these situations, but what we should be asking ourselves does God want us to keep being a servant to Him when we go through these situations.

Prayer is always a solution to the questions we have in these types of situations were we feel we need to make

changes.

Changing situations or circumstances for our will or thought pattern should not be the answer. When we make a change it must be His answer to our prayers, not our answer to our frustrations.
