Volume 5    Quarterly Issue    July, August, September, 2015

**After this the Lord appointed seventy-two others and sent them two by two ahead of him to every town and place where he was about to go. He told them, “The harvest is plentiful, but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field. Go! I am sending you out like lambs among wolves.**

**Luke 10:1-3**

*The world is an ever changing place. We bob and weave around things and change our direction on a daily basis. It seems like we have more and more to do each day but have less time to share God’s Word.*

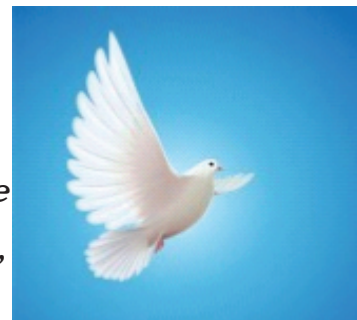

*In August we had a group of youth who helped with the services on a Saturday when we normally do two services a day. Their help was greatly appreciated. Like the verses above, they came two by two to help in the harvest of God’s people. The residents of these places we share at, love it when the younger generation shows interest in them. The youth shared the gospel story with bands*

*that had a color for each of the walks that we need to go through to be with our Savior. Some of these youth probably felt like lambs among wolves.*

*Some residents are very strong in their religious beliefs and can be very vocal in letting other people know just where they stand in their beliefs. Some of the youth found this out the hard way trying to explain the plan of salvation to a few of the residents with the gospel bracelets.*

*But most were very receptive to listen to the youth. This is a great mission field to learn how to minister to people and to tell others about Jesus’ love for those people. If you have a background in music and know how to play an instrument, (like a guitar, piano, etc.) We can use your help. Residents like to hear musical instruments “live” compared to the canned music we generally play for them when we show up to do a worship service.*

*If you, your children or grandchildren are gifted in this area, you or they can be a big help.*
