

Because You Matter Ministries Minutes

Volume 3 Quarterly Issue October, November, December

But seek first his kingdom and his righteousness, and all these things will be given to you as well. Therefore do not worry about tomorrow, for tomorrow will worry about itself. Each day has enough trouble of its own.

Matthew 6:33-34

+++++

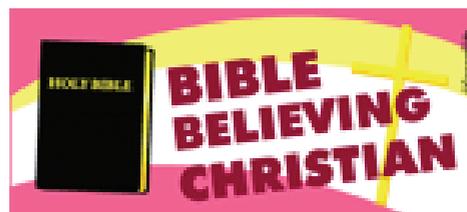

As another calendar year ends and another year begins, we always seem to look back and see what has happened. This has been the first full year since losing the spark who helped start this ministry. Roberta's presence still seems to be around the ministry as things go forward as we make decisions, or as we congregate at different functions.

But the Lord's presence is always felt in this ministry also. There are times that things happen that you can't just imagine how these things happen. Then you get that AHAA moment that the Lord has been doing His work again. People stepping up to help in positions that help direct which way the ministry should go or to what it should be focused on. People who are helping by stepping up to find where God can use them in different functions of the ministry. People have mentioned that God has put on their heart to help out some way if they are able to.

Sometimes we get too busy to realize those AHAA moments that the Lord has given us. We seem to focus on the things that are not happening in the here and now instead of focusing on what the Lord has done in the past. So if we can focus on what the Lord has done for us in the past, we can be assured that He has everything handled for us in the future.

That is why we here at the ministry would like to say THANK YOU for all of the support you have given. Thanks to the people who have put in their time and talents this past year. Thanks to the people who have generously given every month and those who gave a one time donation. Any donation big or small is greatly appreciated by Because You Matter Ministries. Most appreciated are the prayers that were prayed for the ministry by you great people. **For if it is not God's Will, it just will not be.**

It just amazes us as to what God has done for the ministry, and we can not wait to see what God has in store for the upcoming year!

Donation of Time Instead of Money

Would you be interested in donating your time in place of a monetary donation? Your time is just as valuable to us as it is to you. If you have thought about some way of being of help to the ministry we have, we can always find a place to use you in the many areas that we have available. You may have a hidden talent you just don't realize, let us talk with you to see if something you do would be a fit in one of our areas of ministry.

God loves it when His people are joyful helpers in the spreading of The Good News. *Please think and pray about it.*

Company Donation

We have 3 Brother combination fax/copier/printers, (black ink only), for sale. These were used by a large business who has since updated their equipment.

If interested in one of these machines or know of someone who might be in need, please contact us, we will be happy to provide as much information as possible.

In need of a person who would like to put their artistic talents to work in designing a music CD label. If this is something you have a talent for or know someone who does, please contact us as to how you can help us out with this project.
