Jesus Christ is the same yesterday and today and forever

Hebrews 13 : 8

Resolution: Definition ; a decision or determination; the act of determining upon an action or course of action, method, procedure, etc.;

This is the time of year when we seem to want to make a New Year's resolution. To make changes in our lives or to do better at what we have not done well during the past year. We resolve to loose weight, save money, take a trip, spend more time with family, or a number of other things.

But how often do you hear of someone saying "I make a resolution to serve God this year in all I do." We should be resolved to serve God in all we do in every way, everyday, but do we?

Now we know, we cannot be perfect in this resolution, for there was only One who was perfect enough to walk this earth and of course that was Jesus. We can only resolve to do better than we did last year, to serve God in all we do.

The ministry work that we do tries to bring the Word of God to as many as we can. Bringing Jesus to people is the easy part for

us, because the information we give to the people we come in contact with is the same in all we do. Trying to find the people to listen is not the problem. It is trying to find the people who should be out helping bringing the Word of God to the unbelieving public. Those who need to make a resolution to get involved with evangelizing, need to have some time with God and get His will for you.

The ministry thrives to go out and tell the nonbelievers the love of God through His Son Jesus, who died on the cross. But we also make sure that the believers we come in contact with also know of the continuing love that God has for them through His Son, is available to them everyday. Jesus was the same before we became to know Him, the same the day we found Him, and the same as when we go forward to live our lives and tell others of Jesus.

God has blessed us with the ability to serve Him, with so many different people over the last year. It has been possible with God's backing, because He provides the hearts of His people to bless us with the money

needs we have. He has blessed us with those who are willing to serve. But there is the need, that to be able to keep serving to those we minister to now and being able to serve more people in the future, we need the hearts of more of God's children to help us carry out God's will. If we are to keep carrying on the needs to spread God's love, we do need **YOUR** help. We need help in paying our expenses and physical needs. We are always in need of God's servants to help minister to God's people. But most important is the the need for prayer from God's people, for we know without prayer there is no ministry.

So if there is a place that you can serve, let us know, for we know this is not our ministry, but **God's** ministry and we are only **His** servants...

Friendship Cards

Do you have a knack for making cards by stamping or free hand design? We give out cards telling how Jesus can be or is their friend at the locations we visit. If you have an interest in making cards for many of our dear friends out there. Then we could use your assistance in making cards that show the love of Jesus and His children to the many of those who do not know of Jesus or have not felt any love in along while. Contact us for more information.
