

# Because You Matter Ministries Minutes

Volume 6    Quarterly Issue    October, November, December, 2015

*A year or so ago we, the ministry, bought a cargo trailer for use in disaster relief. It will be used to transport needed equipment to disasters such as chain saws, tarps, generators, hand tools etc.*

*While not being used for disasters, we considered how else the trailer could be used for ministry. We thought of the idea of assisting people moving to different living locations. We determined our ministry could help those who are disabled, low income or homeless by supplying the trailer, a vehicle to pull it with, and some moving necessities like a like hand cart, appliance dolly, furniture packers, platform carts, etc.*

*We also determined those benefiting from this ministry would need to be personally involved in their move. They would need to pack or box their belongs. They also need to find family or friends to physically help to move their belongs. In this way we do not enable the people and encourage their participation in the move.*

*There has been a few of these moves accomplished in the last year of 2015. These moves have been very appreciated by the people receiving this service from our ministry.*

*Hopefully there will be more use of the trailer and need for this service in the upcoming year of 2016.*

*If you know of a disabled, low income or homeless households that might be in need of a service like this, have them contact us to see if we might be able to help them with their move. We only move people locally with in a 25 mile radius of Green Bay.*

## **Romans 15**

- 1. We who are strong ought to bear with the failings of the weak and not to please ourselves.**
- 2. Each of us should please our neighbors for their good, to build them up.**
