

Because You Matter Ministry Minutes

Volume 3 Quarterly Issue January - March 2010

We hope this newsletter finds you in good health and spirits. Since the last newsletter

If you live in the Green Bay Area, one thing to help support and grow this ministry that does not cost anything monetarily to you can be your time.

Golden Gospel Group

In the **Golden Gospel Group** we would like to develop helpers to lead in the singing, the messages that are presented to the residents or just sitting with the residents. We have requests for more services and we would need more helpers to do that. We have some very dedicated people who have been supporting us with being at almost all of the services. The thing is **they can't** do it all. Our request is that you would pray to see if God wants you to help us out or if you would pray for the ministry to lift up those people that would help us out. Either way prayer would be greatly appreciated.

[Mark 11:24 \(NIV\)](#)

Therefore I tell you, whatever you ask for in prayer, believe that you have received it, and it will be yours.

God has blessed the ministry with people who have helped out with some of the needs we have had. One of those needs that have been met since the last newsletter has been the financial support needed for replacement of the sound amplifier that is broken. This sound amplifier will help people with quieter voices to be heard by the residents who have a hard time hearing. Financial support was also given to the ministry that will be used for the replacement of some of the large print hymnals that are in bad shape. These books have been in use for over 4 years, have been hauled around, handed out many times and torn apart in those years. We sincerely appreciate the generosity of those who have supported the ministry; it has been a real blessing.

Giant Print Bibles

On behalf of every one we have given a Giant Print Bible to we would like to say *Thank You* and let you know they are being used. Often the person who received the Bible reads to us - what a precious blessing it is to hear them read the Word of God!

On a different note, there has been opportunity to present what the **Golden Gospel Group** does in group settings.

It is hopeful the information will be of some interest to a few people who will pray for the group or help out in other various ways. We realize that this can be a hard ministry to work in. The rewards can be great like the relationships that are made, but the losses can be very emotional. It is the hope that we have given the message of salvation to these people so they understand enough to be able to make their own decision and they have **accepted Jesus Christ into their hearts before their time here comes to an end.**

Children are always welcome - the residence seem to find a special joy in watching and listening to children.

A Genuine Time I Would Like To Share With You
About My Walk With My Lord!

We thank you for praying for us, but we would also like the opportunity to pray for you. We take prayer extremely serious in our ministry and would love the opportunity to pray for you. (We don't pray for just the big things, we pray for the little things too!). We also would like to Praise Him for things that are happening in your life, so please let us know about the good things and we will Praise God for them as well. You are very important to us because you are important to God. We love you in His Name.
